## **New Deal - CCR Data Limited Factual Wealth Profiling Identify the untapped wealth on your database!**

Develop and mine your data intelligently with the UK's largest factual Wealth Intelligence Database™.

Wealth Profiling with CCR Data's will allow charities to unlock the potential in their database.

CCR Data is a re-seller of Prospecting for Gold's Wealth Intelligence Database™ which contains over 215,000 liquid asset millionaires. The database has been researched for over 15 years by Prospecting for Gold and is growing by 800 records per month with all factual information taken from the public domain.

215,000 records, each with at least 12 main primary attributes with additional factual attributes available

- Wealth bands and profiles (from £1m to £50m+)
- Investment types, histories and profiles
- Directors and business information
- Socio- and geo-demographic details
- Wealth Intelligence Screening

Everyone on this database can either make a gift or donation of at least £5000 or can unlock the door to a gift or donation of £5000 or more.
